Honorable Richard M. Helms

Dear Mr. Helms:

The Staff and Faculty of the United States Army Intelligence School join me in expressing my appreciation for the superior presentation afforded students attending the Senior Foreign Officer Intelligence Course by [REDACTED]

25X1A9a [REDACTED] presented an excellent lecture concerning ways in which Economic Intelligence data is collected; how this information can be utilized to formulate national policy; and the many difficulties experienced in collecting this type of information. The presentation proved to be most interesting as evidenced by the enthusiastic reception by the students.

Thank you for your continued cooperation in the training of our foreign students. Please convey to [REDACTED] our deep appreciation.

Sincerely,

RICHARD S. SMITH
Colonel, MI
